**Q. 1.** Public Sector Organizations face lots of problems due to lack of proper management at the top. It is said that without a strategy, the organization is like a ship without a rudder, going around in circles. How would you elaborate various tasks of Strategic Management in the above-mentioned perspective?

**Q. 2.** Strategic Analysis provides theoretically informed understanding of the environment in which an organisation is operating, together with an understanding of the organization's interaction with its environment. In order to improve organisational efficiency and effectiveness by increasing the organization's capacity to deploy and redeploy its resources intelligently. How do you define strategy analysis?

Explain strategic analysis tools in detail (enlist components and usage properly).

**Q. 3.** "Corporate social responsibility is a waste of shareholders' money and is just another way the classic agency problem between the managers and the shareholders manifests itself."

Discuss the above statement based on academic evidence as to the effect of corporate social responsibility on firm value and performance.

.....Good luck-----
